

We are proud to host a postgraduate year one (PGY-1) pharmacy residency program accredited by the American Society of Health-System Pharmacists. Residency at Diplomat emphasizes the development of advanced skills in a specialty pharmacy setting.

## OUR LOCATION

The residency's primary practice site is at Diplomat's corporate headquarters in Flint, Michigan. Additional involvement with Ferris State University's College of Pharmacy and other patient care facilities provides residents with a broad range of clinical opportunities.

## PGY-1 PROGRAM PURPOSE

PGY1 pharmacy residency programs build on Doctor of Pharmacy (Pharm.D.) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

## RESIDENCY GOALS

This program is built to develop independent clinical practitioners preparing for careers as patient care professionals, clinical-track faculty, and leaders in pharmacy.

### THIS PROGRAM WILL EQUIP RESIDENTS TO:

- Provide innovative patient care services within specialty and community pharmacy
- Design, implement, and evaluate medication management models with demonstrated improvement in clinical outcomes
- Develop leadership skills as role models for pharmacists, students, and other professionals in advancing pharmacy practice
- Develop practice management skills, including operations, business development, and reimbursement strategies
- Strengthen skills as communicators and educators

## RESIDENT ACTIVITIES

Residents will engage in all aspects of pharmacy practice, including advanced clinical, operational, and business activities. Core and elective rotations based on the individual resident's interests will be scheduled to provide structured developmental experiences. Participation in a formalized teaching certificate program through the College of Pharmacy at Ferris State University is available. Attendance at local and national meetings is expected with funding provided.
